MEAT CHOPPER / GRINDER

This small, yet powerful & dynamic table top Meat Chopper / Grinder is one of our most popular selling items. It's compact & portable design makes it perfect for home use, or for a community center, caterer, RV, camping, church commissary or avid outdoorsman. It features a Die-Cast Aluminum Grinding Head, complete with pan, auger, (1) #12 Knife, (3) plates (fine 1/8", medium 3/16" & course 5/16") & (3) food safe plastic stuffing tubes. Don't be fooled by it's compact design, because it is powered by a 350 Watt, 1/2 Horse Power Motor. Our little work horse has a capacity to process 2-3 pounds of meat per minute. The MC5 is designed with both a "Forward" & "Reverse" Switch to assist you with your food processing applications. Most importantly, it is uniquely manufactured with a built-in "Overload Protection" Switch, which helps to ensure extended product life & operator safety. Easy to clean, maintain & store, simple hand washing is recommended.

Warranty: 6 months

ALFA #	DESCRIPTION	ELECTRICAL SPECS	NET/SHIP WEIGHT	DIMENSIONS
MC5	1/2 HP Meat Chopper / Grinder	115V-60HZ / 350W-1/2 HP	15 lbs./16.5 lbs.	16" x 7" x 17"

WHEAT GRASS JUICERS

This 1/4 HP Wheat Grass Juicer is highly efficient and is available with a Stainless Steel Juicer Head as an option. This juicer is also designed to juice other greens, as well as small soft fuits, like grapes, raspberries, blackberries, strawberries, currants, apricots, kiwis, blueberries and tomatoes. Designed for light non commercial use, the machine is easy to operate and clean. The ALFA WGJ has no aluminum parts and has Stainless Steel self feeding screens. The ALFA WGJ SS comes with a Stainless Steel juicing head, ensuring that fluids only come in contact with stainless steel components. The feed chute is 1.5" round on the Stainless Steel juicing head. Both units are ETL approved.

Warranty: 1 year
