Optio™ by Lincoln is stainless steel cookware specifically designed for the value conscious chef. Constructed of high quality stainless steel and featuring an aluminum-clad bottom for quick and even heat distribution, all Optio™ by Lincoln cookware is Induction Ready and perfect for use on any type of stove.

ADVANTAGES OF INDUCTION COOKING

Benefits:

Better Control – Control your heat with accuracy. Sensitive and rapid adjustable heating.

Faster – Energy is directly transferred within the metal pan making cooking with induction heat faster to save you both time and money.

Safer – No open flame, hot coil or other heat source to ignite fumes, flammable materials or burn the operator.

Cleaner – No grates, no grease catch and no burned-on food to worry about. Wipe down the surface with a damp cloth and you're done.

Cooler – Almost no ambient heat is produced, creating a much cooler environment for your staff and mealtime guests. Also reduced kitchen temperature.

Energy Saver – More energy efficient than gas or traditional electric ranges because no heat is wasted in the air between the heat source and pan. 90% of every dollar you spend on energy goes right where you want it–in the pan! Gas delivers only 55% to the pan and traditional electric about 65%

Lincoln

Quality Cookware. Value Price.

Enodis

Optio™ by Lincoln Stainless Steel Cookware is Perfect for the Value Conscious Chef.

Induction Ready

stainless steel OPTIO™ by Lincoln cookware

Feature	Benefit
High Quality Stainless Steel	Impervious to acidic foods - won't pit, discolor or transfer flavors from previously cooked foods.
Aluminum-Clad Bottom	Provides quick and even heat distribution.
Stainless Steel Outer Wafer	Prevents denting and scratching on bottom of pan.
Spot-Welded Handles	Prevents loosening and leakage.
Large Radius Corners	Minimizes food waste and permits easy cleaning.
Rolled "Non-Drip" Edges	Provides strength, durability and easier food removal.
May be used on any type of stove, including induction.	Increases versatility and value.

Optio™ Fry Pans

Optio™ by Lincoln Fry Pans are perfect for quick and even frying of all foods.

Fry small tender foods such as eggs, fish, chicken pieces, pork chops and soft vegetables.

Optio™ Non-Stick Fry Pans

Optio™ by Lincoln Non-Stick Fry Pans offer the same features as the standard fry pans, but with a DuPont® non-stick surface that will quickly become a favorite in your kitchen.

Optio™ Sauté Pans

Optio™ by Lincoln Sauté Pans the are perfect choice for stir-frying, quick-stewing, and poaching.

This pan is ideal for stir-frying beef, chicken, pork, shrimp and vegetables. Browning vegetables, quick stewing, and poaching are other uses for this heavy frying pan.

Optio™ Sauce Pans

Optio™ by Lincoln offers deep, straight-sided sauce pans for all your cooking needs. All sauce pans come complete with domed covers to retain moisture while cooking, making them ideal for sauces, soups, and simmering of all liquids.

Excellent for cooking soup, vegetables, sauces, and any food that has liquid in it.

Optio™ Sauce Pots

Shorter and wider than standard stock pots, Optio™ by Lincoln sauce pots are perfect for simmering soups and stews. All sauce pots offer superior performance and come complete with domed cover.

Especially good for simmering liquid recipes like soup, beans, stews and for cooking pasta.

Optio™ Stock Pots

Optio™ by Lincoln stock pots are excellent for cooking pasta, or preparing large quantities of liquids. All stock pots also come complete with domed cover.

Excellent for preparing large quantities of seasoned liquids, also for cooking pasta, bulky vegetables, and steaming or boiling lobsters.

Optio™ Braziers/Casseroles

Large diameter cooking area allows for braising large pieces of meat, while the shallow height permits small amounts of liquid to be used. Optio™ by Lincoln braziers/casseroles are the perfect amenity to any professional kitchen.

High quality stainless steel construction ensures even browning of meat or vegetables, which are then covered and cooked slowly in a small quantity of liquid such as juices from beef or tomato juice. Perfect for stews; beef, chicken, fish or vegetable casseroles; soups, and more.

Optio™ Covers

All Optio™ by Lincoln covers are designed to fit all Optio™ by Lincoln fry pans, sauté pans, sauce pans, sauce pots, stock pots, and braziers/casseroles. These self-basting domed covered retain moisture, making them the perfect accessory!
