WCT702

Waring Commercial Toasters – WCT702/WCT704

Features:

- **Chrome-Plated Steel Construction** - a standout on any countertop or serving area, any one of these classic styled toasters lends a solid, contemporary look to your establishment and provides dependable Waring performance.
- **Wide Slots.** Full 1-3/8 inch wide slots hold a variety of breads, from English muffins to bagels to thick homemade slices. Specialty items too.
  WCT702 - 2 Wide Slots
  WCT704 - 2 Long & Wide Slots for 4 regular size slices or 2 long slices like Italian bread.
- **Extra-High Lift Control** - Lever brings toast close to the top of the toaster, making it easy to remove – even smaller foods like English muffins.
- **Easy-to-Use Toasting Control** - Easy to grasp rotary dial to adjust browning from extra light to dark golden brown.
- **Convenient Touch Controls**
- **Defrost Button** - Defrost and toast frozen bread with the push of one button. LED indicator lights up when in use.
- **Reheat Button** - Press this button to reheat without browning. LED indicator lights up when in use.
- **Cancel Button** - Press this button to interrupt toasting and return carriage to top.
- **Self-Centering Bread Rack**
- **Pull-out Crumb Tray** - tray slides out for easy crumb removal.
- **3-Foot Cord with 3-Prong Plug**
