Description

SMALL FRYER W/DRAIN

The original purpose for each of these three fryers was for Corn Dogs – either foot long or regular. Many people fry specialty fun foods such as Corn Dogs, Cheese Dogs, Shrimp Rolls, Fried Veggies or even a Funnel Cake or two. Skewer clip assembly is “spring loaded” and can be quickly removed. Fryer basket is available for Bacon Puffs. Even small fryers hold over 30 lbs. of oil; therefore, drains are an absolute necessity for safe operations. Fryers without drains are being discontinued.

Large single basket can be substituted. The voltage in these units is sufficient for Corn Dogs or light frying – but not high enough for heavy duty French frying.
